

## **ICS-201**

### **INSTRUCTIONS**

The four master documents accompanying this cover sheet are the four pages of the ICS-201. It is recommended that pages 1 and 2 be copied back to back, and the same pages 3 and 4. They may then be stapled together to make the complete ICS-201. This avoids the high cost of having the form printed on 11" x 17" paper and perforated. You may also copy the four pages onto 11" x 17" paper and fold it, however it will be more difficult to separate the two halves.
